

FEE POLICY AND SCHEDULE 2025

INTRODUCTION

Victory Christian College is dedicated to providing quality, caring and affordable Christian education to the Bendigo and surrounding district community. The College is an independent school that receives Federal and State Government funding, but requires payment of fees by parents to ensure the continued day-to-day operation of the College, and to contribute to the capital improvement of facilities.

In line with the College philosophy and objective to provide an affordable Christian education, fees are kept to an amount that is manageable for most family incomes. Substantial discounts on tuition fees are offered for the second and subsequent children enrolled in the College.

PAYMENT OF FEES

College fees are invoiced in November for the following year. Upon commencement of the school year, families are required to be on a fortnightly direct debit payment plan. The payment plan consists of 21 fortnightly instalments commencing on the first Thursday in February and ending mid-November. An additional payment, if required, will be made at the end of November to clear any outstanding balance. Families can click on this link to set up a payment plan: <https://tinyurl.com/VCCFeePaymentPlan>

Victory Christian College requires that fees are:

- Paid in fortnightly instalments via direct debit, with the amount advised in writing by the Finance Office.
- Payments made on a weekly or monthly basis are permitted by prior arrangement with the Business Manager.
- Failure to pay annual fees may result in cancellation of enrolment and/or accounts being forwarded to a debt recovery agency. In this instance, families will be responsible for all associated costs.
- Statements are emailed monthly.
- The College does not discount fees because of student absence or family holidays.
- School camps and overseas experiences are charged out on a 'break-even' basis. As such, accounts should be up to date, to guarantee participation.
- Fees are expected to be paid in full by the 30th of November of each school year.
- Families experiencing temporary difficulty in paying College fees are asked to please contact the Finance Office immediately.
- Where there is a history of significant arrears in fees, the College may place families on a 'Stop Credit' arrangement. When on 'Stop Credit', families must pay each term's fees and levies in advance, prior to each term commencing. This allows enrolment to be maintained without accumulating further arrears or enrolment cancellation.
- If three payments are rejected by the bank, the third and any subsequent payment failures will incur a \$20 fee to family accounts.

ADEQUATE NOTICE PERIOD

- **One term's notice** is required when a child leaves the College. -
- **Two terms' notice** is required for students exiting at the end of Year Ten (end of Term Two) This amount of notice is required to enable the College to plan for its VCE Program.

ENROLMENT APPLICATION FEE

A fee of \$100.00 is charged only once per family to cover administrative costs of enrolment. This fee is payable on submission of the Enrolment Application Form and is not refundable. Families enrolling second and subsequent children at the College do not need to pay this again.

BUILDING FUND DONATION

The Building Fund was established to develop and maintain the College's buildings and facilities. Generous donations from families and supporters in the past have enabled us to continually upgrade and develop our buildings and amenities. Ongoing development to accommodate anticipated growth is underway to provide our students with excellent facilities for their education. The College invites families to donate a minimum of \$100.00 per year to this fund. All donations paid to the building fund are fully tax deductible. Your donation by 30th June will enable you to claim the tax deduction

for the current financial year. Click on this link for Building Fund Donation: <https://tinyurl.com/VCC-BuildingFundDonation>

Special Needs Fee Rebate (Financial Hardship)

The College recognises that, in response to exceptional financial circumstances or family situations, some families may experience temporary difficulty in paying their tuition fees. Where this situation arises, families can apply for 'Special Needs Fee Rebate' assistance. In these circumstances the College requires the completion of a detailed financial questionnaire available from the Finance Office, along with attendance at a financial interview involving the Business Manager.

Once pertinent financial information and family circumstances are ascertained, the application is submitted to the College Board for assessment. The Board's decision is final. Following the Board's approval, the Special Needs Fee Rebate will be applied to the family's account with the College. This rebate is regarded as a temporary measure and will be adjusted as changes in circumstances permit. This rebate is for the year of application only. Applications for 'Special Needs Fee Rebate' will be considered by the Board as the need arises, but no more than once per term.

When considering rebate applications, the Board must follow guidelines set to ensure a fair and equitable distribution of rebate allocation. The Board can give up to a maximum rebate of 30% on tuition fees.

Families receiving fee rebates are expected to meet their payment schedule, which will be set in consultation between the family and the College's Finance Office.

Volunteer Hours Discount Policy

It has long been recognised that the assistance of parents, helps to enhance our College Programs. Assistance includes listening to children reading, Library work, canteen roster, committee & sub-committee membership, supervision on sports days, camps, excursions, and participation in Parent and Friends activities.

This policy, which is reviewed annually, defines the number of volunteer hours each family can contribute to their fee reduction, and provides a range of approved activities (above) through which families can be engaged in. The limit for 2025 is set at 10 hours per annum from each family, at a set rate of \$25.00 per hour and a maximum of \$250.00. This amount is credited off accounts, as parents/carers participate in approved activities.

Volunteer hours are collected by the Administration Office and tallied each term. The Finance Office then credits off the appropriate amounts for each family.

In this way, the College can provide flexibility for families to contribute their time, acknowledge valuable involvement in a wide range of activities, and provide an avenue for parents to reduce their fees.

All volunteers must be approved after completing the Volunteer Induction process which includes Child Safety training. To complete this process, please email volunteer@vcc.vic.edu.au

Conveyance Allowance (Government Subsidy)

Students attending VCC may be eligible for financial support through the Conveyance Allowance Program to assist with the cost of transport. The Conveyance form is required to be completed on an annual basis.

To be eligible for the Conveyance Allowance:

- A student must reside 4.8km or more by the shortest practicable route from the College, and for private car and public transport travel, families must complete an application to the College. Click on this link to apply: <https://tinyurl.com/VCCConveyanceAllowance>

- The Department of Education and Training (DET) pays the Conveyance Allowance to the College for distribution to families.
- For students using VCC Bus Services, the College will use Conveyance Allowance funds received from DET to reduce the cost for the College and for families. All eligible VCC bus travellers must apply for the Conveyance Allowance and authorise the College to retain the allowance.
- If a family does not meet the DET's eligibility requirements for the Conveyance Allowance, a seat on the VCC Bus Service may be offered for a fee of \$50 per child, per term. This fee is charged to family accounts at the end of each term.
- Public transport applications must include proof of purchase of a half-yearly or yearly Victorian Student Pass.
- For private car and public transport travel, the College will allocate the full amount received from DET against the family School Fee Account.
