

VICTORY CHRISTIAN COLLEGE TEACHING POSITIONS - 2027

ABOUT THE COLLEGE

Victory Christian College is a Prep to Year Twelve College, which caters for individual needs and interests within a caring and disciplined environment. We provide a strong academic and diverse curriculum, which engages students and challenges them to achieve their best. At Victory, students are encouraged to develop a personal relationship with God and to understand that through this relationship, they have a life filled with purpose and promise.

Victory Christian College is a Christian organisation. It exists to advance the Christian religion through the provision of education and religious instruction, in a Christ centred environment in which the spiritual, academic, social and physical development of the individual can be fostered in harmony with the home and the church community.

We believe that the Bible, comprising the Scriptures in the Old Testament and New Testament, teaches the truth about essential beliefs of the Christian faith including who God is, who Humanity is, what the Gospel is and what response God requires from his people.

We believe that the ultimate meaning and purpose of life rests in Jesus Christ and His work on the cross. The College is a beacon of hope, built upon the foundation of the redeeming love of God through Jesus Christ.

The College plays an important role in the formation of students, at the invitation of their parents - in leading and nurturing them, spirit, mind and body, to lay hold of their unique purpose and potential in God's world, and to equip them for a life of fulfilment and significance. It is the aim of the College that graduating students will be transformational in their future callings and vocations.

The College is dedicated to continuous improvement and maintaining a high achieving learning environment. An expert and passionate staff implement a rigorous engaging curriculum, which enables and equips students to achieve academic success.

The well-resourced workplace at Victory has a strong and supportive team ethos. It allows staff to flourish professionally and personally and is characterised by encouragement, challenge and acceptance of the individual.

Our staff members share the College vision and are encouraged to continuously develop their own professional skills and faith, thereby being equipped to facilitate students' learning and personal growth.

The College is located across two campuses. In 2027, the Strathdale Campus will have more than 1000 students from Prep to Year Twelve. Our newly opened campus at Epsom will have more than 300 students in 2027 from Prep to Year Eight, with year levels continuing to be added in the future.
