

VICTORY CHRISTIAN COLLEGE UNIFORM POLICY

Introduction

- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing the College. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims

- To promote equality amongst all students.
- To further develop a sense of pride in, identification with our College.
- To provide durable clothing that is cost effective and practical for our College environment.
- To maintain and enhance the positive image of the College in the community.

Implementation

- The Dress Code applies during school hours, while travelling to and from school, and when students are on school excursions.
- Summer and winter uniforms, as well as sports uniforms will be prescribed, and are required to be worn.
- The student Dress Code is detailed below and will be made available to parents through the Handbook, on the College Website, and in the Enrolment Pack.
- Regular reminders regarding dress code will be published in the College Newsletter.
- Uniform must be kept clean and in good order and staff may request parents to replace excessively worn or untidy items.
- Uniform items are to be named, and any unmade items which remain unclaimed in lost property longer than one term will be resold as second-hand uniform.
- The Dress Code has been designed to provide flexibility for students and promote physical activity during break times.
- A Facebook Page will operate through the College for parent to buy and sell quality second hand uniform.
